#### ABOUT MEDICREA ([www.medicrea.com](http://www.medicrea.com))

The MEDICREA Group specializes in the design, manufacture, and distribution of innovative proprietary technologies devoted exclusively to spinal surgery. Operating in a \$10 billion market, MEDICREA is a small to medium-sized business with 140 employees, including 40 at its MEDICREA USA Corp. subsidiary based in New York City.

The Company enjoys an excellent and ever-improving reputation, and develops unique scientific partnerships with some of the most visionary and creative spine surgeons in France, the UK, and the USA. The products developed and patented by MEDICREA provide neurosurgeons and orthopedic surgeons specializing in the spine with new and less-invasive surgical solutions that are faster and easier to implement than traditional techniques.

MEDICREA has also become **a pioneer and global leader** in the manufacturing of customized implants for personalized spinal surgery with the development of a comprehensive process incorporating the software analysis of each patient, the pre-surgical planning of the surgical strategy, and the production of customized spinal osteosynthesis rods (UNiD™ rod) and lumbar interbody osteosynthesis cages (UNiD™ ALIF cage) that are made to measure by a 3D printer.

The Group's headquarters are based near Lyon, France. It also has an implant and surgical instrument manufacturing facility located in La Rochelle, France, as well as four distribution subsidiaries in the USA, the UK, France and Germany.
