Medicrea to Attend the 9th Annual Craig-Hallum Alpha Select Conference

Lyon and New York, November 1st , 2018 - The Medicrea Group (Euronext Growth Paris: FR0004178572-ALMED ; OTCQX Best Market – MRNTY & MRNTF), pioneering the transformation of spinal surgery through Artificial Intelligence, predictive modeling and patient specific implants with its UNiD™ ASI (Adaptive Spine Intelligence) proprietary software platform, services and technologies, announced today that the company will host one-on-one investor meetings during the 9th Annual Craig-Hallum Alpha Select Conference at the Sheraton New York Times Square Hotel on Thursday, November 15, 2018.

For more information on the conference or to schedule a one-on-one meeting, please contact your Craig-Hallum representative.

About Medicrea (www.medicrea.com)

Through the lens of predictive medicine, Medicrea leverages its proprietary software analysis tools with big data and machine learning technologies supported by an expansive collection of clinical and scientific data. The Company is well-placed to streamline the efficiency of spinal care, reduce procedural complications and limit time spent in the operating room.

Operating in a $10 billion marketplace, Medicrea is a Small and Medium sized Enterprise (SME) with 200 employees worldwide, which includes 50 who are based in the U.S. The Company has an ultra-modern manufacturing facility in Lyon, France housing the development and production of 3D- printed titanium patient-specific implants.
